

NEXT.

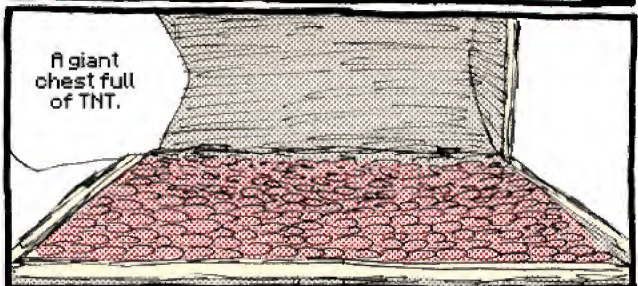

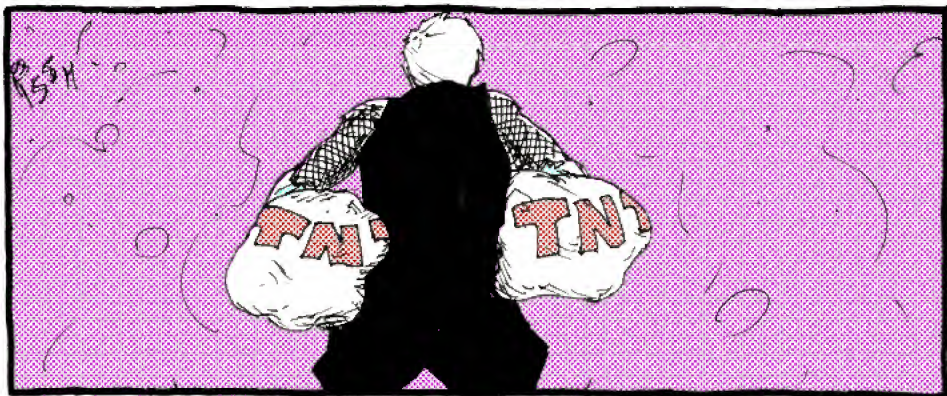

1 MILLION

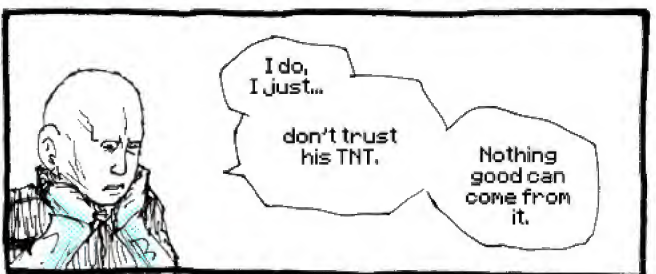

Nothing good can come from it.

Nah...

They'd find
out it
was
me.

Jeez just
relax, No
one will
travel this
far just
to grief.

Next day

Hmm...
think I'll
change it
up a bit if
you don't
mind.

Nah,
just wanted
to pretty up
the portal
a bit.

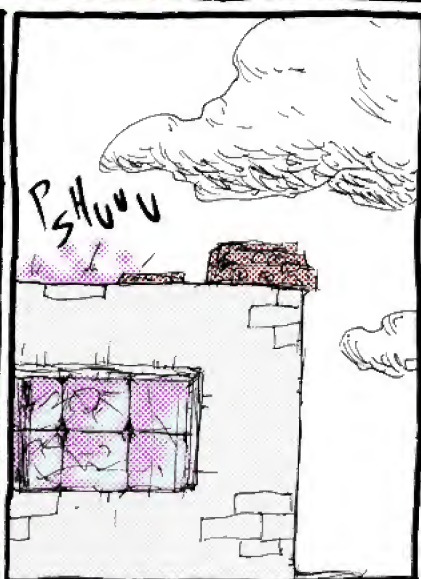

Hey!
We need
help on
city hall.

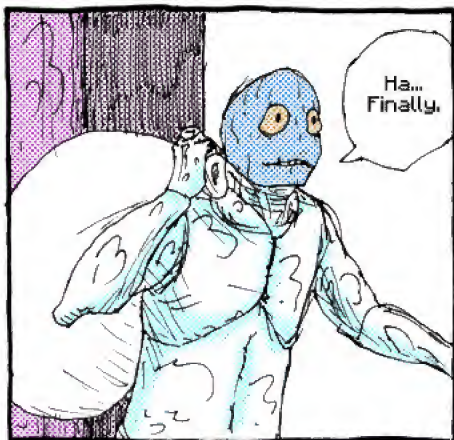

I'll be
right
there.

Hmm...
Guess
I should
get some
supplies
from the
nether.

Pshuuu

Ha...
Finally.

Ah, you must be the
diamond
guy.

Yep, Where do I
dump'em.

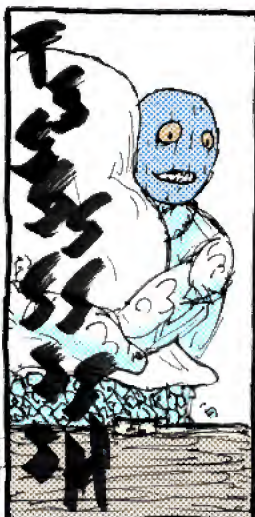

That's
a nice
autofarm.

Yeah.

Here
it is.

So where
is everyone
staying?

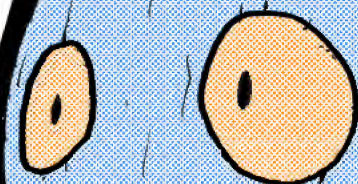

Or
do they
just
use this
bed
here?

I don't know...

Hmm...

Want to show me around?

Well I haven't explored the whole area yet, I just know of this storage area, the castle, the tower and my place...

...some-where over there.

Haha okay.

Still can't believe I'm at 1 million.

Remember when ten thousand was a big deal?

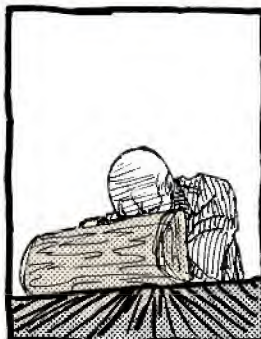

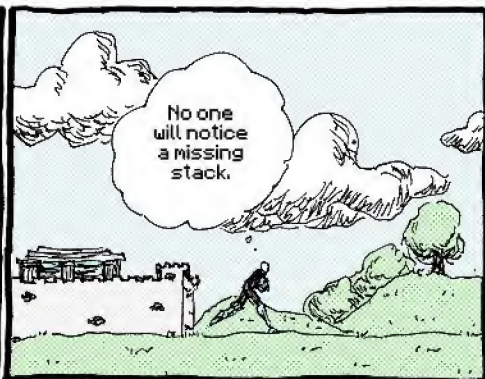

Haha yeah. Good times.

...

Fucking
creeper...

Here,
let me help
you up.

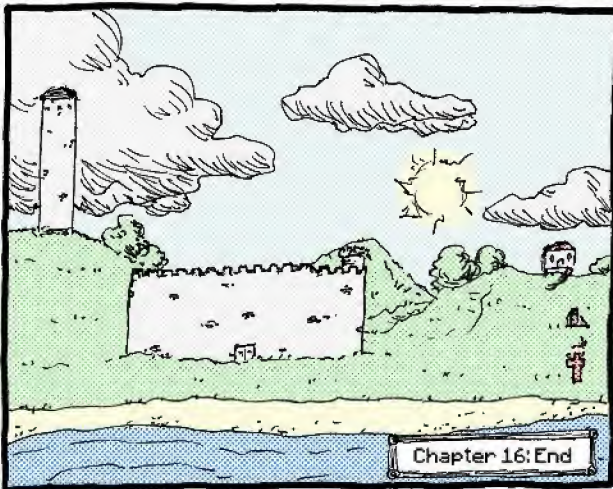

Ah,
thanks.

Maybe
I am being
overly
paranoid...

Well...
back to
mining
now.

Chapter 16: End
